Pioneering Neurodiversity Support for Forward Thinking Organisations

# Transform your workplace

## Pioneering Neurodiversity Support

At **Atypical\* Creativity**, we're more than just a creative agency. We're pioneers in workplace neurodiversity, founded with a clear social purpose: to create an ideal workspace for neurodiverse creatives. Now, we're sharing our expertise to help other organizations thrive through neurodiversity.

## Your Journey to Neurodiversity Excellence

Our comprehensive Neurodiverse Support Package guides organizations through five strategic phases, each designed to transform your workplace into an inclusive, high-performing environment where neurodivergent talent can flourish.

# Phase 1: Awareness

## **Begin your journey with expert-led neurodiversity awareness sessions.**

Understanding is the foundation of change, and our sessions illuminate how different types of neurodiversity influence workplace performance and wellbeing.

### **Choose from:**

- ✓ Live in-person sessions
- ✓ Remote interactive workshops
- ✓ Self-paced online learning modules

# Phase 2: Audit

Our specialised team conducts thorough workplace assessments to identify both challenges and opportunities:

- 1 In-person evaluation of your working environment
- 2 Custom-designed Q&A sessions with key personnel
- 3 Detailed analysis of workplace practices
- 4 Identification of potential stress points for neurodiverse colleagues

# Phase 3: Solutions

Transform insights into action with our comprehensive solutions package:

- 1 Detailed audit feedback report
- 2 Practical, implementable recommendations
- 3 Access to our exclusive "ND: Working Better" playbook
- 4 Customised adaptation strategies for your specific workplace

# Phase 4: Follow-Up

Ensure lasting success with our support program:

- 1 One-on-one coaching sessions for managers
- 2 Team coaching workshops
- 3 Project management guidance
- 4 Ongoing implementation support

# Phase 5: Accreditation

Lead the way in workplace innovation by becoming one of the UK's first Accredited Positive Neurodiverse Employers. Our prestigious accreditation program offers three tiers:

**Platinum Award**

**Gold Award**

**Silver Award**

These accreditations represent the future of positive workplace culture and are set to become a benchmark standard in recruitment and employee wellbeing.
