

## Transform Your Workplace

Pioneering Neurodiversity Support for Forward-Thinking Organisations.

At Atypical\* Creativity, we're more than just a creative agency. We're pioneers in workplace neurodiversity, founded with a clear social purpose: to create an ideal workspace for neurodiverse creatives. Now, we're sharing our expertise to help other organisations thrive through neurodiversity.

## Your Journey to Neurodiversity Excellence

Our comprehensive Neurodiverse Support Package guides organisations through five strategic phases, each designed to transform your workplace into an inclusive, high-performing environment where neurodivergent talent can flourish.

### Phase 1: Awareness

Begin your journey with expert-led neurodiversity awareness sessions. Understanding is the foundation of change, and our sessions illuminate how different types of neurodiversity influence workplace performance and well-being.

### Phase 2: Audit

Our specialized team conducts thorough and unique workplace assessments to identify both challenges and opportunities:

- \* In-person evaluation of your working environment
- \* Custom-designed Q&A sessions with key personnel
- \* Detailed analysis of workplace practices
- \* Identification of potential stress points for neurodiverse colleagues

### Phase 3: Solutions

Transform insights into action with our comprehensive solutions package:

- \* Detailed audit feedback report
- \* Practical, implementable recommendations
- \* Access to exclusive "ND: Working Better" playbook
- \* Customised adaption strategies for your specific workplace

### Phase 4: Follow-Up

Ensure lasting success with our support programme:

- \* One-on-one coaching sessions for managers
- \* Team coaching workshops
- \* Project management guidance
- \* Ongoing implementation support
